Ispahan Rug Made Of Kork Wool And Silk, Persian, Shah Era, Circa 1950

5 600 EUR

Period : 20th century

Condition : Très bon état

Material : Wool

Description

An Isfahan rug of Persian origin, made around 1950, during the Shah's reign. It features a pile of Kork lambswool, renowned for its fineness, softness, and silky appearance, combined with a silk weft that contributes to the precision and delicacy of its weave.The quality of the materials used, combined with the fineness of the knotting, attests to the traditional craftsmanship of the Isfahan workshops, renowned for producing carpets of great elegance and remarkable finesse of execution.With an estimated density of between 10,000 and 15,000 knots per dm², this rug stands out for the fineness of its weave and the quality of its craftsmanship.Dimensions:Length: 247 cmWidth: 152 cmDensity: 10,000 to 15,000 knots per dm²
