Description

An antique fireplace made of solid walnut, in the Louis XV style from the 18th century, featuring a beautiful, richly carved and ornate facade.The upper fascia is adorned with an elegant carved cartouche at its center, framed by molded panels and curved lines characteristic of 18th-century decorative furniture. The straight jambs, accented with moldings and carved decorations, rest on solid, projecting bases.The piece captivates with the elegance of its proportions, the finesse of its carving, and the warm patina of its walnut wood.Very good condition
