1 100 EUR

Period : 17th century

Condition : Etat d'usage

Material : Sapin

Width : 26

Height : 62

Depth : 12

Description

A beautiful, vertically shaped carved piece made of softwood, with polychrome paint and traces of gilding.A dynamic sculpture decorated with scrolls of acanthus leaves, a large blooming flower, and a fruit at the top.Despite a few missing pieces, this is a very decorative object!Dated to the late 17th century, likely Spanish.
