570 EUR

Period : 19th century

Condition : Bon état

Material : Other

## Description

19th-century percussion pistol (circa 1840-1860), likely manufactured in Liège or Saint-Étienne (anonymous, with no visible external markings), presented in a custom-made case containing a complete set of accessories. Weapon specifications: System: Front percussion lock, flat-bodied hammer with a weight and a chimney.Finishes: Trigger guard, hammer, and breech block finely engraved with scrollwork in intaglio. Steel trigger guard with finger rest.Barrel: Octagonal steel barrel, 40 cm long, caliber [specify 13 mm]. Stock: Sloping walnut stock with deep fluting, providing an excellent grip.Mechanical condition: In perfect working order (firm spring, holds securely in both cocking positions, crisp firing). Beautiful, uniform period patina with slight traces of minor, insignificant
