Description

I'd like to present this magnificent and rare Chinese celadon porcelain lidded jar from the Longquan kilns.The body is adorned with stylized lotus petals, as is the top of the lid. The base is left unglazed to allow for safe placement in the kiln.The celadon color is deep. Its substantial size makes this lidded jar a subtle and timeless decorative piece.The traditional Longquan celadon technique was inscribed on UNESCO's List of Intangible Cultural Heritage of Humanity in 2009.
