Description

PTS922 - Important antique lacquered door with painted transom - 18th century. An elegant single-leaf antique door crafted in the 18th century, featuring a refined arched architectural structure complete with its original frame and a majestic painted transom.The door leaf is lacquered in warm shades of taupe and beige with a delicate patina of age.Crowning the piece is the molded transom, which features a striking period painting depicting a landscape with classical architecture, farmhouses, and cypress trees bathed in twilight. Complete with original antique hardware, including exposed hinges and an iron handle.A piece of furniture with great visual impact, ideal for enhancing historic homes, formal entryways, living rooms, or interior design projects seeking an authentic piece with a strong
