Description

Set of 12 antique saucers (or cup saucers) with a gilt metal palmette frieze, featuring the beautiful, warm luster of vermeil. Measuring 13.2 cm in diameter, they are ideal as saucers (paired, for example, with beautiful white-and-gold porcelain or crystal cups), dessert bowls, or table decorations.Hallmark with the initials "SNC," most likely corresponding to the Société Normande de Couverts (active in the 20th century, notably known for its classic and neoclassical tableware).In good overall condition; the original gilding retains a beautiful luster, though there are inevitable scratches from use, scuff marks, and a few stains. One dish has a lighter, more nuanced gilding than the others due to cleaning. Shipping costs not included
