exploration led them to work on wall architecture and interior design, innovating with latticework walls. In 1972, they moved to Vinneuf in the Yonne department, then to Marsillargues in the Languedoc region in 1977. They then exhibited their work in their gallery in Lunel.The Cloutier brothers contributed to the revival of French ceramics in the 1950s by creating a dreamlike world all their own.Bibliography: "Les frères Cloutier" by Patrick Favardin, Norma Editions.
