Description

Dimensions: Ø 35 cm - H: 5.5 cm. A vintage piece made of glazed stoneware with a bold and unique character.We love the contrast between its wide, smooth rim with weathered brick-red hues and its hand-textured center, which is striated and dotted with organic details in relief.An authentic and remarkable piece, ideal as a centerpiece or on a console table.The studio's or artist's mark is stamped in a rectangular cartouche on the reverse side.Normal wear and tear given its age and use: a chip on the rim, visible in the photos.
