Description

GOLF (bag) made of genuine leather with a riveted handle, discreetly marked with "RCD" and "M" in red. Of very fine quality, it is highly decorative and could potentially serve as an umbrella stand or cane holder. We conservatively date it to the first half of the 20th century. Please note a few scratches and scuffs, as it was used at the time without particular care, despite being a luxury item. We can arrange insured shipping within metropolitan France for 50 euros.
