Description

Iranian Ghom rug made of wool, featuring a decorative composition structured around a paneled pattern. This type of design, organized into successive compartments, creates a balanced and rhythmic overall effect, while highlighting the richness of Persian decorative art.The Ghom tradition, renowned for the quality and refinement of its carpets, is distinguished by the diversity of its compositions and the care taken in crafting its designs. The coffered pattern gives this piece a distinctive identity, with a geometric arrangement that lends it plenty of character and a strong decorative presence.Made of wool, this rug possesses the charm of traditional Iranian rugs and brings warmth and authenticity to an interior. Its structured design allows it to blend seamlessly into both classic and more contemporary settings,
