Description

An elegant antique truncated cone-shaped earthenware salt shaker, consisting of two separate pieces joined together in the traditional manner. The body features a rich polychrome high-fire decoration in shades of blue with iron-red highlights, consisting of lambrequins, foliage, garlands, and baskets of flowers.The tall, domed lid, openwork with radiating motifs and topped with a turned knob, is adorned with a floral design in shades of blue. The two parts are joined by a metal screw-threaded mount bearing two small hallmarks on the rim. On the reverse side is an old label from the Art Céramique Ancien - Arcanes - Versailles gallery.Rouen, 18th century, circa 1720-1730. Dimensions: height 21 cm - base diameter 9 cm. In good overall condition with fresh, vibrant glaze. Original
