Description

A beautiful set of five solid pine chairs, the "Les Arcs" model, selected by Charlotte Perriand for the design of the famous Savoyard ski resort in the 1960s and 1970s.These chairs, iconic symbols of French mountain furniture, stand out for their clean design, architectural lines, and sturdy solid-wood construction.Their rectangular backs, slatted seats, and beautiful honey-colored patina give them an authentic and timeless charm.A particularly decorative set, combining the modernist spirit of the 1970s with the warmth of traditional mountain furniture.These five chairs will naturally find their place around a dining table, whether in a contemporary home, a chalet, or a country house.Features:Period: 1970sModel: Les ArcsAttribution: model selected by Charlotte PerriandOrigin: FranceMaterial: solid pineSet of
