Description

External dimensions:11.5 x 16 x 2.5 cmlarge, flat, teardrop-shaped wooden case (pine slats), covered with leather hot iron embossed of leafy bouquets, The leather is basane: the grain-free surface of sheep or lambskin, treated with chestnut bark, which over time gives it this superb patina.It opens with a leather hinge to reveal, against a padded orange silkbacking, a flat, oval object measuring 14 cm x 10 cm, likely a reliquary, with a silver frame under rock crystal, as was customary in the bishoprics of Northern Italy during 18th century.Good condition, with some signs of wear, of course, and a missingbrass wire hook. Inside lining silk is very tired.Buy Now: Pay by credit card, immediate bank transfer, or PayPal. eclectic -- We are not experts, but we have been in business for over 50 years.
