The Devil And The Angel. Made Of Murano Glass

750 EUR

Period : 20th century

Condition : Parfait état

Height : 30

Description

Cristina Sfriso, Murano. A little black devil with touches of gold leaf, balancing atop a female figure made of white opal glass. Beneath them, just a transparent, feather-light stem. It looks as if they are flying. Hand-blown and hand-shaped, signed "Cristina Sfriso Murano" on the base. This is not an object for a shelf; it is a small sculpture meant to be viewed against the light.
