1950s Yellow Gold Brooch - Shooting Star With Vintage Diamonds

2 100 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

A 1950s yellow gold brooch with a refined design evoking the movement of a shooting star. The composition unfolds in a play of undulating lines, with the stems forming luminous waves that capture the light with fluidity and elegance.The piece is adorned with old-cut diamonds, including a 0.37 ct center diamond that anchors the design and enhances its brilliance. The antique cuts lend a soft, warm brilliance--typical of jewelry creations from that era--with subtle, vibrant sparkles.Weighing 14.04 g, this brooch combines presence with finesse. It is worn as a statement piece, both graphic and poetic--a hallmark of the craftsmanship of the 1950s, when movement and light were at the heart of jewelry design.Characteristics:Period: 1950sMetal: 750-th yellow goldTotal weight: 14.04 gStones:
