Large Shell Cameo Set In A Gold Brooch

350 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

A large, antique cameo, finely carved from seashell and set as a brooch on a gold setting. This piece showcases the delicate craftsmanship typical of antique jewelry, where the natural texture of the seashell enhances the delicacy of the carving.The classic cameo design lends it a timeless elegance, making this brooch a piece with character--both decorative and steeped in history.Please note: The cameo shows slight wear in the upper right corner, which is visible but subtle and does not detract from the design or the charm of the piece.Specifications:Type: Cameo broochMaterial: Carved seashellSetting: Gold (please specify if 750 gold)Weight: 22.34 gMotif: Carved figurative cameoCondition: Good overall condition with minor wear on the upper right
