Omega Flightmaster Pilot's Chronograph - 1969 -

4 800 EUR

Period : 20th century

Condition : Très bon état

Diameter : 43 mm

Description

Omega Flightmaster, reference 145.013, a pilot's chronograph from 1969, in stainless steel. This model is equipped with the hand-wound Omega 911 caliber, offering the following functions: chronograph (hour and minute totalizers), GMT (second time zone), and day/night indicator (AM/PM). The dial has a beautifully aged patina, and the case is brushed, tonneau-shaped, and features a screw-down caseback. The pushers are lacquered in three distinct colors. It features a bidirectional inner bezel graduated to 60 minutes and an engraved caseback depicting a Douglas DC-8 aircraft. The crystal is sapphire. Its dimensions are 43 mm in diameter (excluding the crown and pushers) and 15 mm thick (including the crystal). The movement and case are signed and numbered. This watch is in excellent
