Description

A large photograph mounted on canvas, depicting the pier and promenade in Nice in the 1890s. Signed in the lower left corner "Giletta Pho Nice"; the signature was engraved on the glass plate of the negative and thus appears here directly on the photograph. Since the signature was replaced in 1897 by "Giletta frères," we can date this photograph to between 1891--the year the pier was rebuilt--and 1897. This very rare large-format print was primarily used to decorate grand hotels, and very few have survived the test of time. Visible damage on the photographs. Presented on its original canvas and in its original frame.
