Description

A very beautiful bronze head, partially gildedIt's an antique, though I can't say exactly when it was made--I'm not an expert on this style of sculptureYou can clearly see that it was broken off--or even torn off--from a bustVery decorative, it conveys a beautiful sense of wisdom and serenityI think it's very much in the style of the city of Ayutthaya in ThailandHeight: 24 cmFree shipping within the European Union250 euros for international shipping
