Description

A stunning and iconic small "Fish" sculpture from the prestigious Lalique House, based on the original design by René Lalique from 1913. Crafted from pressed crystal in a luminous orange hue, this collector's piece offers a remarkable play of light thanks to the brand's characteristic contrast between the satin finish of the delicately chiseled body, featuring scales, and the glossy polish of the dorsal fin and base. Authenticity is guaranteed by the "Lalique ® France" signature engraved with a fine point on the base.Weight: 45 grams.
