Empire-style Cabaret Set, Featuring Crystal From Le Creusot And Gilded Bronze

1 200 EUR

Signature : Manufacture du Creusot

Period : 19th century

Condition : Très bon état

Material : Crystal

Description

Large liqueur set, known as a "cabaret," consisting of a chiseled and mercury-gilded bronze tray with an Empire-style "glace" background and its original Le Creusot crystal glassware cut in a diamond-point pattern (3 liqueur decanters and 12 stemmed glasses). Charles X Restoration period, early 19th century, circa 1830.A beautiful piece, spectacular for its large size, and an ideal addition to an Empire or early 19th-century decor. Very rare as a complete set.In good overall condition; the glass has been replaced and is very clean; the glassware is in good condition; one decanter is of a design very similar to the other two.Height: 28 cmTray diameter: 30 cmGlass height: 9.5 cmCarafe height: 21.5 cm
