Chain-driven Winch - 17th Century

600 EUR

Period : 17th century

Condition : Parfait état

Material : Wrought iron

Length : 115 cm

Description

Chain rack - 17th or 18th centuryOriginal twisted wrought-iron rack (straight bars and rings), decorated with a pair of symmetrical birds (ducks) at the top.These two duck-shaped hooks were used to hang sausages and other items for smoking. The second hook allowed the length of the chain to be adjusted to set the height between the suspended pots and the flame or embers.It is in perfect condition and has been thoroughly derusted. A very decorative piece.Total height 115 cm, ring diameter 9 cm, ring thickness 12 mm, lower rod diameter 16 mm. It's a sturdy piece!Feel free to ask for more photos if needed.
