Rattan Log Holder, Italian Work, 1960s

580 EUR

Period : 20th century

Condition : Etat d'usage

Material : Rattan

Width : 42.5

Height : 43.5

Depth : 33.5

Description

Here is a piece that stages the firewood with elegance. Bent rattan log holder, the curved basket formed of supple hoops mounted as a cradle, extended with handles for carrying. The warmth of rattan brings a natural, relaxed note to the fireside. 1960s work in the taste of Audoux-Minet, at the crossroads of the functional and the decorative. A practical and decorative piece to organise the fireside.
