English Thomason-style Corkscrew (circa 1850-1880)

225 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Length : 17

Width : 8

Description

This superb Thomason corkscrew combines elegance and functionality: it allows you to remove the cork effortlessly with a single motion by pulling on the handle. It comes with its original hanging ring, perfect for displaying it, as well as a brush for cleaning the label and seal of the bottle when you take it out of the cellar. A complete user manual will be included with your package. It is in very good working condition and measures 17 cm × 8 cm.
