Description

A superb and rare 19th-century camphor wood campaign chest This naval chest has an interesting dimension, as it is shorter than usual. It could serve as a coffee table (ideal size), a small chest in front of a bed, a bench, etc.English navy chest with its brass fittings and protection typical of this style of furniture and its carrying handles on the sidesVery beautiful flame and in camphor wood which is a stunning wood. Camphor wood is resistant to woodworm, so it was used at the time on navy and marine ships.Camphor wood with a superb flame and all sides in one piece.These chests were used on British Navy shipsA 19th-century naval chest, known as a "campaign chest," that is both striking and functional, offering excellent storage space and a strong decorative impact.Superb patina and
