Description

In the neoclassical style that won over all of Europe from the middle of the 18th century, this mirror takes on the shape of a pediment elegantly adorned with antique motifs such as cornucopias, fire pots and pine cones. Mahogany does not mix here with gilded bronze but rather with delicately carved gilded wood. With its ideal proportions and not too imposing, this Empire period mahogany mirror will add a lot of flair to a living room, bedroom or hallway. Very good condition.
