Description

Very nice mokka service 925 sterling silver, consisting of a mokka pot and cover, a sugar bowl and a cream jar.

All pieces show a pear shaped form on an ovoid stand in Neo-Rococo/Louis XV Style and wear marks "AX.S.Sterling" at the bottom, probably being manufactured by an American studio in the first half of the 20th century. The moccatière bears an ebonized wood handle.

The service is of a very heavy and solid quality, total gross weight: 599 gr.
