Grand agate cameo in four layers.

Renaissance era.

Italian job.

"Cupid teasing Venus"

This is therefore a large agate cameo representing cupid in the guise of a winged cherub fun to tease and to strip naked and Venus sitting with a vase at her feet.

beautiful scene very detailed and remarkable

finesse of the sculpture for only 4.3 cm.

the cameo is broken into several parts probably for a long time may be at hand, but remains homogeneous!

mount gilded silver chain and gold brooch

recently rehabilitated.

from Charles Avery collection
