Offerings Plate 16th Century

1 100 EUR

Period : 16th century

Condition : Bon état

Material : Copper

Diameter : 60 cm

Description

Great offerings or quest copper plate, pushed very finely chopped.
It is decorated in the center of EVE representation surrounded by foliage (it reminds the Renaissance representations of Eve out of the bath ....), and a wide border of many scrolls and foliage where flowers mingle themselves, fruits and birds.
16th or early 17th century.
This model is very decorative, and exceptionel because of its size, the subject and the quality of its execution.
