Masterpiece Of Glass Blower, 19thc: Long Glass Tobacco Pipe

180 EUR

Signature : anonyme

Period : 19th century

Condition : Bon état

Material : Glass

Length : 63cm

Width : 9cm

Description

A surprising object, unusual dimension: glass tobacco pipe shaped, 2 colors, the 58cm pipe has been blown with 9 balusters and a central bubble in same fire, red glass pipe head. It is an object of virtuosity that few glass blowers would easily do. Anonymous Primitive piece, late nineteenth: by a lover of "beautiful work" Size: 63cm x 9cm,condition: excellent, no flawPhone: 0665241111
