Charles Gir: "sensual Beauty" Pastel

380 EUR

Period : 20th century

Condition : En l'état

Material : Pastel

Description

The famous poster artist also left us some very beautiful pastels more intimate, as here this young lady in interior jacket with sensual beauty, pastel with the fauve accents close to the Van Dongen between the two wars. A few reds on the bottom, nicely framed with a sober but effective marble-louise wand, pastel to the view 58X42, 69X53 to the frame.
