700 EUR

Period : 18th century

Description

This charming picture, very characteristic of its time is presented "in its juice". He shows us a young lady dressed in the fashion of the time, seated in a garden near a console where a vase rests and holds a basket in her hand making very "Marie Antoinette to the sheepfold". It is an oil on canvas formerly rentoilée, presenting some accidents and restorations, mainly in the bottoms, measuring 23X20 cm approximately and surrounded by a beautiful gilded frame 29X26cm a little rugged. Very "shabby chic". More photos and more objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
