### Description

Fireplace plate with the coat of arms of Duke Leopold of Lorraine, cast print in the 20th century of a plate dating from the early 18th century. The shield, encircled with the order of the golden fleece, surmounted by a royal crown, is supported by two savages holding a club. These savages were attributed to the Duchy of Bar by Leopold probably during the first quarter of the 18th century. Coat of arms: Cut from four kingdoms supported by four duchies, or from three lines, cut from one, which make eight quarters: to the 1st silver burelé and eight-piece gules which is from Hungary; to the 2nd azure sown with fleurs-de-lys of gold, without a broken number in chief of a lambel with three gules pendants which is from the Two Sicilies; to the 3rd silver to the cross potence of gold, confined to four crosses of
