## Pair Of Aiguières XIXème Renaissance Style Pewter And Glass Tinted

450 EUR

Period : 19th century

Condition : Très bon état

Width : 14 cm

Height : 22 cm

Description
-------------

Elegant pair of Renaissance eggs in tin and pink colored glass; They are presented on a pedestal surmounted by the basin surrounded by a pewter frame largely decorated with angels of coat of arms and shell, decor typical of the Renaissance. The neck is decorated with a ram's head, the cap represents an angel. A finely decorated handle helps maintain the whole. Surperbe quality work and excellent condition.
