

Grand Plat In Bronze With La Salamandre - François 1er

950 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Length : 37 cm

Description

Important dish in the shape of finely worked bowl in patinated bronze, from Napoleon III to the arms of François 1st and bearing his emblem the salamander in the center.

Rich decor of griffins and heads of grotesques for the handles.

The cup is finely worked with large flowers of lilies and coat of arms to the arms of France and Francis I.

In the center, a salamander in the flames symbolizes François 1st.

Very beautiful patina and very beautiful carving.

Renaissance style period of manufacture

Napoleon III.

Beautiful original cut and very decorative.
