J. Felfin: Boats At Quai In The Mediterranean

230 EUR

Period : 20th century

Condition : En l'état

Description

In spite of some dirt and small claws in the varnish, this oil on panel 35 X 27 cm, showing us sailboats in a probably mediterranean bay, can be hung such that, but its golden stick frame 40 X 32 cm deserves to be exchange. It bears the signature J. FELFIN 1927, unknown to the Bénézit and databases, although dating from the 1920s as the same format with which it was purchased.
