Description

Oak cupboard in the north-east of France. Early 19th century. The top is slightly set back from the bottom. The oak interior (embedded in a wall) is original. The shelving has been redone in oak. The four doors consist of scalloped sleepers and flat bed panels. The molding is in high relief. There are sculptures of flowers on the low cross-beam and the middle of the doors. Original brass plugs; Entrances of the replaced doors (done by hand). Restoration of use on the whole furniture, see site: google site vaubourgeix igor restoration.
