

Large Vase Soliflores Murano With Brass Frame.

1 200 EUR

Signature : MURANO

Period : 19th century

Condition : Très bon état

Diameter : plateau 24 cm

Height : 55 cm

Description

Superb and rare 19th-century soliflore vase in Murano glass and gilded brass frame. Composed of four glass cornets of red color of which a slightly larger center held at their base by supports in brass openwork and gilded. The whole rests on a plate with a mirror and gallery openwork and chiseled resting on small lion pasties. Very decorative element and superb quality, in excellent condition.
