

Worker Napoleon III Period In Blackened Wood And Inlaid Mother-of-pearl, XIX Eme

890 EUR

Period : 19th century

Condition : état de maison

Length : 45cm

Width : 32cm

Height : 72cm

Description

Very beautiful worker of Napoleon III period in blackened wood and numerous incrustations of mother-of-pearl. Richly decorated tray, representing a little boy and his mother watching boats from the shore. A beautiful frieze of mother-of-pearl inlays surrounds the scene. The worker's interior is dressed in a silk fabric of fischia color. Together very refined.
