## Description

Large storage cabinet in rosewood veneer with brass inlays on doors and sides and pediment. 3 doors high, 3 doors underneath and shelves inside Paolo's furniture has created such an abundance of furniture designs that he thinks he has rebuilt the very history of Italian furniture of the 20th century. As a first-class decorator his work has been widely published in Italy and abroad. Its elegant and comfortable furnishings are often exceptionally well done. The Buffa furniture is known for its elegant neoclassical lines, beautiful woods and beautiful brass inlays. Buffa pieces of the best quality marry the classic Milanese taste with a modern and rigorous design. In terms of craftsmanship and high quality materials, Buffa's best move may be equal to that of the French master, Emilie Jacques Rulhmann.
