Description

Black Forest carved wood tobacco pot *
representing a dog's head smoking cigars and
wearing a bow tie and a high collar, from the late
nineteenth century. This tobacco pot is in good
condition and is of high quality. Note: missing the
axis of the hinge, the piece of wood the cigar is
removed, small accident under the cigar (cf last
photo), light usres, scratches and dirt on the
wood, look at the pictures. * Black Forest
Sculpture Wooden carved objects from the Black
Forest are not originally from Germany but were
manufactured in the region of brien, z,
Switzerland. The tradition of woodworking is
ancestral in this region, the inhabitants perpetuate
the practice of carved wood on the facades of
houses, the furniture or the usual objects. The
sculptors excel in the representation of wild
