Description

An important painting representing the Virgin and Child, an Italian school of the 17th century. A great theme of Italian painting from the 17th and 18th centuries. Our painting is a good example both of the great vivacity of the colors used, the acid tones and the effect of the clear obsur. A beautiful expression of the faces, expressing a very great sweetness and a beautiful serenity. A movement of the drapes is also to be noted in this work. Good condition, canvas provided with wood frame. Dimensions: with frame: height: 145 cm, Length: 110 cm, Canvas: Height: 130 cm, Length 100 cm.
