### Description

French school of the 18th century  
Miniature on ivory 6,5 cm x 5,5 cm  
Frame gilded bronze posterior

Portrait of a young woman with pearl necklace.

Dressed in a robe in largely decolleted gaule and offering a generous throat to the lucky one who was destined for this portrait of great finesse, this young woman with powdered hair, adorned with a rose and pearls is characteristic of the fashion of the 1790s.
