Description

Sino Tibetan statue representing Vaishravana sitting on his snow lion, sitting in lalitasana, the whole rests on a lotus base.

Vaishravana has his right hand raised in Karana Mudra and his left hand is open. He has a well-made face and bulging eyes, raised eyebrows. each of the legs of the snow lion grabs a precious stone, symbolic of the pillars of Buddhism. A mandorle is fixed behind Vaishravana. the bottom is held by four hooks. silvered bronze or silver material enhanced with gilding.
