Width : cadre 117cm vue 93cm

Height : cadre 92cm vue 68cm

Description

Superb and elegant oil painting on canvas of the 19th century representing "the return of fishing in Normandy". This painting represents in the foreground characters bustling at work while children have fun on their side. In the background we see some houses on the right side while on the left of the fishermen is busy unloading a boat. Very decorative painting in bright and bright colors. The set is presented in a frame in gilded stucco. Beautiful quality and very good condition.
