

Bowl With Pewter Ears 17 / 18e

280 EUR

Period : 18th century

Condition : Bon état

Material : Tin

Width : 25 cm

Description

Bowl with gold pewter broth, vintage late 17th or early 18th. The flat-roofed lid and dangling ring has girly edges and a geometric patterned decor. There was certainly a punch, disappeared by the wear. Pieces with similar decorations are found in Bordeaux and sometimes in Toulouse. Trace of welding in the bottom; Width 25 cm.
