Description

In the upper part, a cornet vase screwed on a large cup which ends the scalloped foot in the shape of a dolphin. The thread is masked by a large satin crystal ring. The piece is therefore dismantled in two distinct parts. Beautiful piece that mixes different glass working techniques: a fine engraving on the wheel on a red background bringing out a delicate decor of fruits, flowers and cross of Lorraine and a molded-pressed work on the foot. Late nineteenth. Very good state.
