Description

Beautiful oil on cardboard, very well framed in a Dutch frame, representing a Provencal landscape surmounted by a rocky peak overlooking a river. The light is fine, the Impressionist touch does not linger on the pattern, creating a slightly blurred atmosphere. A character in the center of the composition fits perfectly into the decor, bringing a romantic note.Signed lower right: to identify Period: first part of the twentieth.Condition: Good condition, Can be a light cleaning to consider.
