Henry-julien Detouche : Blood Drawing "the Dog"

Condition : En l'état

Description

This extraordinary drawing, as a customer pointed out to me, is very much in the vein of Félicien Rops' erotic works ...
It is a sanguine with highlights of charcoal and white stone, circular view of diameter About 21 cm, inscribed in a square slightly insolated by the old Marie-louise 23 X 23 on a sheet 31 X 31 cm.
A small tear in the top left of the drawing, captioned: "So, here I stand what is the best in the man!"
